RELIGIOUS EDUCATION 2020-2021

AKA: FAMILY FORMATION

Family Formation is a family-based catechetical program for families with children in preschool through Grade 6 with an adult formation component.

How does it work?

There are two components: Families gather together on the first Sunday of the month, using the classroom lessons, monthly trained catechists teach the children in grade level classrooms while parents attend an adult teaching on the same topic. Parents are then provided all of the home lesson materials they need for the rest of the month to teach the faith to their family. The second Sunday of the month students will meet again in the classroom for an introduction to home lessons. (We added this session to assist parents with some of the topics activities and games.)

About Family Formation for Parishes

Family Formation equips the parents in our parish to pass on the Catholic Faith to their children enabling them to grow in their faith together as a family.

Family Formation provides a unique, challenging, and creative curriculum that is family-based, includes adult catechesis and training for parents, is founded on the Truth and teachings of the Catholic Church, and is designed to make living the Faith a way of life and a life-long learning adventure.

Family Formation:

- A great Catholic curriculum!
- Brings the Faith alive through dynamic lessons, activities, and audios
- Follows the three-year liturgical cycle and points families to what is happening in the Church year.
- * [See complete 3 year topic overview.](#)
- Is driven by Sacred Scripture
- Is faithful to the teaching of the Magisterium
- References the [Catechism of the Catholic Church](#)
- Received the Imprimatur of Archbishop Harry J. Flynn of the Archdiocese of St. Paul and Minneapolis in 2007*****

Families,

If you have a student in grades 7-12. Please register them ASAP so we can finalize plans for their classes.

Please do not wait for Confirmation to enroll your Student.

***** We will not be adding students to the roster after September 12th.*******

I would like to take an opportunity to thank everyone who helped contribute to the shed and the side-by-side UTV. We have received the shed and the side by side for use at St Patrick's cemetery and St. Josephs cemetery this will make work much more efficient and cost effective for our cemetery staff. Fr Michael Oluka wanted me to extend a thank you for the money that was raised and giving him such a warm welcome last weekend.

As we continue reading from the Gospel of John, we hear the bread of life discourse continued. I want to draw your attention to the part of the Mass that we don't often think much of; that is the Gospel acclamation. When we sing the alleluia and the verse, we are giving thanks for His word that has been spoken to us and for what we are about to hear in the Gospel. If you pay attention the verse that is sung often sums up the readings that we just heard and continue a theme throughout the Gospel passage. Today we hear the phrase, "one does not live on bread alone, but by every word that comes forth from the mouth of God." If we think of Sacred scripture as God's word, then we are called to love by that. I know it is easy to just see scripture as a something that was written thousands of years ago, but we are called to understand how this word plays into our daily lives and that it is living and effective. When we hear the beginning of our Gospel acclamation "one does not live on bread alone..." we focus on the two-fold reliance on God in the Eucharist, and God in His spoken word. How can you better listen to the Word of God in your life this week? Take the readings and spend some time with them as let God speak to your heart.

God Bless,

Fr Matt Rawson
