Dear Parishioners,

I would like to take this opportunity to wish all mothers, grandmothers, godmothers, foster mothers, and any of those who act as a mother, a Happy Mother's Day. This weekend at all Masses, we will pray for all mothers and those in a motherly role. Whether a biological mother or not, women have the task of being in that motherly role, be it as a biological mother, grandmother, step mother, foster mother, or a godmother. Mothers have a great role in this world to care for God's children. According to Scripture, a mother's love, no matter how strong, is only a shadow of God's love for us. "Can a mother forget her infant, or be without tenderness for the child of her womb? Yet, even if she forgets, I will never forget you, says the Lord, for see, I have written your name upon the palm of my hand." (Isaiah 49:15-16. Happy Mother's Day!

If you have driven by the cemetery at St Josephs, you may have noticed some construction over the last couple of weeks. As of this weekend the foundation has been set and the surrounding areas are beginning to take shape for the landscaping of our columbarium. The columbarium will be delivered in early June and will be able to house 24 individual cremation urns on one side and will have 12 companion niches that hold 2 urns each. This will provide a total of 48 spaces for cremation inturnments. Below is a rendering of what the columbarium will look like.

In 1963, the Catholic Church amended its teaching on cremation thus allowing cremation to be permitted in the Catholic Church. It has not been until the last 30 years or so that this has become an even more popular way of burial. The teachings of the Church tell us that we are to be buried in the ground or to be cremated. If we are cremated the Church reminds us that we are supposed to be buried or interred in a columbarium or a mausoleum. This is to show the upmost respect to the person and their body. Please stay tuned for more information on this exciting project!!

God Bless,

Fr. Matt Rawson
